ADVERTISING OPPORTUNITY AT NEW OMHSA SOCCER PARK

Dear valued community supporter,

The 100 Mile House and District Soccer Association is inviting you to consider advertising your business at the new OMHSA Soccer Park, while helping the Association to raise funds to complete the project.

Starting in 2010, all league games will be played at our new Soccer Park. With an average of 550 registered players, these signs will be seen by hundreds of parents and supporters. Furthermore, all out of town teams and their supporters will also be exposed to your sign.

Your sign will be mounted and displayed on our perimeter fence from the end of April until the end of September. We will store the sign over the winter if you choose to place it again during the next season. This will ensure your sign will stay in good shape for many seasons.

Sign space is available for \$250.00 per season or \$1000.00 for 5 seasons. Please note that the cost of the sign itself is not included in that fee.

In order to keep all signs uniform we have decided on the following standard.

Sign Specifications:

- Durable Banner Material, 3 feet x 8 feet
- Colors: white, yellow, beige, grey, red, green, blue, brown or black
- One color print: \$195.00
- Multiple colors print: \$250.00
